

Notice -Environmental Assessment (EA) for Explosive Ordnance Activities at JBER, Alaska.

JBER is preparing an EA for explosive ordnance activities. A Notice of Availability (NOA) will be published in local newspaper(s) and on this website. The NOA will initiate the public comment period and explain the method for submitting comments on the EA /draft Findings of No Significant Impact (FONSI).

JBER anticipates releasing the EA /draft FONSI for public comment in early 2013.
