

# PASSPORT VERIFICATION STATEMENT

Please initial all applicable statements below:

## OVERSEAS ASSIGNMENTS:

- I have an overseas assignment to \_\_\_\_\_, and my dependents will accompany me on this assignment.
- I understand my dependents must have no-fee passports to accompany me on this assignment and that **tourist/regular travel passports cannot be substituted** for the no-fee passports without written approval from the Chief, Outbound Assignments.
- I understand that visas are required for my dependents to accompany me to Italy or Turkey. I will obtain visa processing requirements and/or instructions from a JBER passport agent when the no-fee passport applications are submitted.
- All required official/no-fee passport applications and required documents have been submitted to the JBER passport acceptance agent listed below:
- Name of JBER Passport Acceptance Agent
- Location (Elmendorf or Ft Richardson)
- Date applications and required documents submitted

## CONUS ASSIGNMENTS:

- I will be driving through Canada and have dependents age 16 and older who will be traveling with me. I understand a passport is required for dependents age 16 and older to travel through Canada.
- Passport application(s) for dependents age 16 and older have been submitted as listed below:
- Name of Agency
- Location
- Date application(s)/required documents submitted
- My dependents currently have valid passports to travel through Canada and I have attached a copy/copies of the identification page(s).

## PPC REQUIREMENT FOR ACTIVE DUTY:

- I have PPC \_\_\_\_\_ (enter PPC) that requires me to obtain an official passport for my PCS.
- The official passport application and all required documents have been submitted to the JBER passport acceptance agent listed below:
- Name of JBER Passport Acceptance Agent
- Location (Elmendorf or Ft Richardson)
- Date application/required documents submitted
- I currently have a valid official passport and have attached a copy of the identification page.

Printed name/signature \_\_\_\_\_ Date: \_\_\_\_\_
