CSAF Speech - MIT Doolittle Award Remarks [pdf]

"It is also a distinct honor to join you in memory of General Jimmy Doolittle and his remarkable contributions to Airpower. He was arguably the greatest Airman of the 20th Century, and we still enjoy the benefits of his work today, as well as his legacy of *integrity, service and excellence.*" Read the entire [speech](#).

CMSAF Perspective - Womens History Month

Women have had a long and proud heritage of military service to our nation. Their distinguished lineage extends from the members who served in the Army Air Corps during WW II to today's Airmen who perform with distinction.

ATTENTION ALL CMS USERS:

Personnel Processing Action (PPA) cases which display the [PPA] Action block must be coordinated using this button. Doing so will provide the case to the proper agency. Once completed will automatically route the case to the proper agency. This will prevent processing of the case.

To provide you improved customer service, we are providing a link to all the PPA type CMS cases to the Air Force Contact Center. Call the Air Force Contact Center representatives at DSN 665-5000, COM 210-565-5000 or (800) 525-0102, select option 1, 1, 2. The AFCC is open 24/7 to assist you.

Also, the training materials and processing guidance for all Personnel Processing Action (PPA) type CMS cases and the Evaluations transmittal report are located on the Personnel Services Delivery (PSD) Transformation web site (<http://ask.afpc.randolph.af.mil/psd/>).
