

WAPS TESTING DELAYED REPORTING INSTRUCTIONS

- Delayed reporting must be **authorized** by the Installation Commander.
- Testing will still begin at the established start time.
- Those who are unable to safely arrive by the established start time must report directly to the Testing Center upon arrival to the base to receive their new start time.
- All testing must take place on the originally scheduled date; rescheduling for another day will not be authorized.
- Failure to show at all on the scheduled date will be treated as a “No-show” IAW AFI 36-2605.
- Plan ahead! Don’t leave anything to chance; our building is open at 0630.
